Lynn,

It was good talking to you today. As discussed, I would like to set up a meeting for the three of us to have a follow up discussions regarding the consortia of issues teed up today, and additionally request high level feedback on the upcoming PFAS LVE Stewardship program.

In terms of availability, Friday, 6/18 would work best for me but I can accommodate a meeting on Thursday, 6/17 after 2pm. Please me know what dates/times work for you and I'll send out the invite. Thank you.
